Private University owned by: Krzysztof Godlewski & Marzena Godlewski

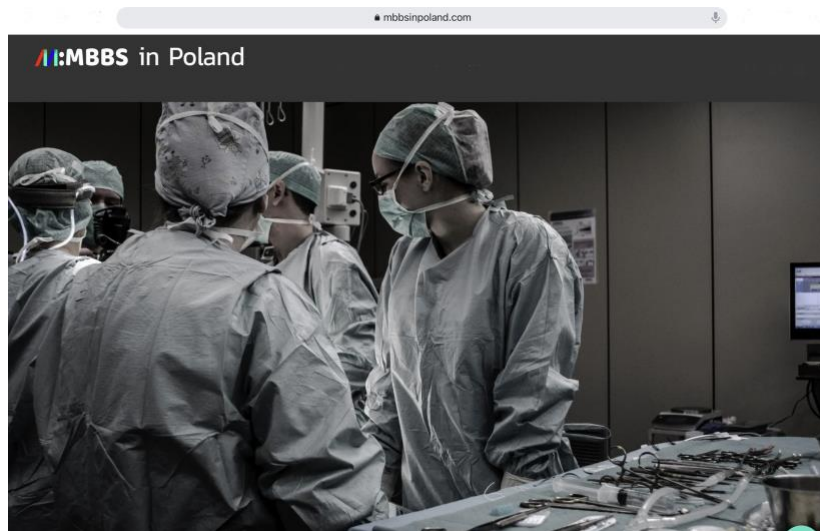

Students have lost their tuition fee refunds, waiting since 02-3 years. We contacted the University and found out that the owners are not interested to refund any students. *The worst is that the Polish Ministry of Education will also not help you as they said that it is a private university.*

Visa refusals for Private Universities in Poland

Students from India & Africa are being refused Visas if they have taken admission in private universities in Poland.

Please be advised not to take admission in Polish Private Universities due to high Visa refusals, and later no refunds, and poor management.

Public Universities in Poland are governed under the Ministry and are more reputable. You will receive Visa and tuition fee refund, in case of visa refusal.
